Got it..

Then no need to look for me.. Thank you for trying anyways..
Everything is going to come in a right time.

P.S.

My goal at the moment is just to be healthy, find a husband and make a baby..
And then only after that will do the rest goals..
Before that I am not interested in anything else..
Probably my hormones are jumping around but that what I want.

Anyways...

Have a lovely rest of the day!
