I just got in. The venue was about 40 minutes away so we had to come back on shuttles.
If I fly at 6am I will only get one hour sleep. I am so exhausted I feel like I physically just can't do it .I
could take a later flight landing at 3.15
I want to make everyone happy but I just can't move anymore ... ♦ Thank you for the flight and hotel. It
was so wonderful to see jackie so happy and to spend time with [REDACTED] family. I really appreciate it.
And I met a nice boy... Jewish ... :)
