By the way is there any one you know who can arrange a meeting for me with Elon Musk
I want to convince him to open his show room For Tesla in DUBAI.
Also I want use His solar system modular batteries to power my New hotel Dukes Dubai
opening this December.

I can arrange for him to own his business without a need of a local partner and to help him start
Dpw will buy a large number of Tesla (May be 50 or more cars)and we will subsidise it for our
own employees .

I Really believe he will be very successful in fact already people are buying Tesla from Europe
including me my wife may son and at Least 30 others I convinced our electricity company to
install charging points through out Dubai already 100 charging points installed
