Hi Jeff, it s hell in Montreal, reaching record lows : -40 .
I ve been texting with Olivier with regard to the people to meet . I was thinking in order of importance Weingarten, Summers, West, Jes Staley, and of course Terje. And Won Soo Kim of UN . I need to spend time discussing with you alone: business and your house.
Olivia is travelling with me and i have promised to show her around . Therefore, reasonably, it s best we skip the techies and politicians this time.
I tried to see Carolyn but she s away . I will come back to see her with Henri as it s best to discuss it face to face .

Thierry and Jean-Nicolas arrive the 7th for your house .

Does all the above fit you? When do i see you?
