Did you want any of trees Brice recommended planted before your arrival?
Please advise

Per Brice below:

I believe he was acknowledging receipt of e mail, as there was no direction to which trees he wanted.

Weather permitting i may be able to have them in place by Friday next week, possibly.

Will need to know today if we are to proceed.

does that mean we are proceeding with trees?
if so what is timing
thanks

Jeffrey

Finally live trees are being delivered, the recent snow storm delayed deliveries
As discussed these are temporary to cover visit, they would be removed in the spring and
replace pinions lost by bark beetle.

Aspen have ordered 10 ft Witcha Blue Junipers for delivery in the spring. I can get 8ft
Junipers from south eastern NM, Picture attached. pricing below

Price breakdown for Planted Trees as follows
Require 8 tree's to replace Whitcha Blue Junipers

Austrian Pines 9 to 10 ft @ \$360.00 per tree
Pinion 9ft @ \$200.00 per tree
Spruce 8ft @ \$310 per tree.
Junipers 8ft @ 250.00 per

All prices do not include Tax.

how do you wish to proceed, Pinion, Austrian, Spruce or Junipers
Weather permitting tree's could be installed by Friday.

regards
