The tumor article was covered in Google News last week and is being re-used now for a premium placement and re-release since it didn't get much coverage. I'm also working to place the piece you just attached.

Hi Tyler,

attached is another article for press: on melanoma and the MRA-- Jeffrey donated to them in 2013.

I still don't see the tumor article in google news. Did it go out?

Will send an email tonight to review everything.

Thank you!
