Hey Bossman,

Which one would you like to use for the road. Sea grape or Autograph trees?

Should I purchase the white fence from MSI? I was told that's all they have in stock until mid January.

Sue said that you would like the blue tiles (97 in total) moved to the grove. Should we look into ordering more of the same tiles?

Stone road should be completed 12/23 Monday. Would you like the road dyed when completed?

Blue beach should be completed 12/23 Monday.

Chris will start the "E" across from the sun dial on 12/20 Friday.

Instead of a concrete slab by the trash bins I've decided to use a product from heavy material called "Fill" because I was told I would need 55 yards of concrete which would cost \$10,500. Mr. Sam advised me that ("Fill" \$17 a ton) would look great if compacted correctly and Danny agreed.

I purchased truck loads of gravel for the Main entrance and other master roads. It started to look real mangy and patchy.

Danny finishing library bookshelf lighting 12/19 Thursday.

Danny will install new pool lights at the MC pool 12/20 Friday.

Danny E. repairing cowlings on Nanna & PRD.

R/O Plant still not making water. TSG said one of our main salt water pumps a=e down, Mr. Peterson will send a quote for a new pump.
