Subject: improved trailer

Dear Jeffrey,

here is our second try at a trailer--this one has gone live. I took very much to heart (and also agreed with) *your* observation that the earlier shorter trailer was too much Lisa New and not enough poetry. The video people get carried away and I have to work hard sometimes to get them focused on texts or learning. I love how my students appear here, not to mention the little cameo we give Emily Dickinson manuscripts...

Woody and I are taping on Thursday. I am so grateful for your help

Lisa
