Richard,

Hope this email finds you well. In order to get the revised purchase order for the furniture and for us to move forward the proposal from PMG that i sent over needs to be signed and the deposit check will need to be sent. They sent over the first pass of the furniture on good faith and there are revisions that need to be made to that so that we can have final numbers and start ordering. Please let me know where are with this portion so that we can move forward to meet our time lines.

Thank you,
[REDACTED]
