Thank you. That means a lot. I may give you a call when I get in later. It's such BS how quickly the media is willing and eager to destroy you. They never stop to consider how their writing can effect the people involved nor bother with finding the truth. I don't know how you handle it so well.

With that said I will obviously respect the decision that you and [REDACTED] come to. I just want her to be happy.

Thank you again,
