for the salary increase.

On another note, I wanted to let you know that I have to go back to Cleveland Clinic early next month for some medical additional issues. I hope to be gone less than two weeks barring any complications. I leave on Oct. 7th.

Given that Daphne will be gone from Oct. 8th until the 21st, I think it best to schedule DPNR to come in November. I know you are back on Oct 11th but I am not sure for how long. I would obviously like to get them to LSJ in Nov when you are not there.

As per usual, I will be available by phone and email while I am gone.

With warm regards,

Cecile
