Nathan flies in WEd Nov. 6 for a business dinner and Thursday Nov. 7th he is fully committed with meetings...the plan is for him to fly home late Thursday afternoon...BUT, there is a chance he may stay overnight Thurs. Claudia will keep us posted if anything opens up or if there is a change and Nathan stays overnight. On another note, Nathan is to be back in NY Nov. 18-22 and looks pretty open (but you are to fly to Paris Nov. 17....)
