Hi Jeffrey:) How are you my dear? How do you feel? How is everything?  
I know how busy you are with you super schedule - so thank you so much for your care:)  
I'm fine...Everything is getting better and better :)  
I already met Barry a couple times... he seems really really nice guy... (of course I'm not really sure if he really likes me that much.. as he keep saying, that I'm so gorgeous, smart, talented, etc. or he saying it only because of you:) ahaha you never know considering people in LA :) you don't know if they are honest.  
But he already told me to send my resume, pictures and my commercial work to Jack Kingsrud (he is the Paradigm agent, he is the agent of Katherine Heigl, Andy Garcia etc.) - it's could be good for me.  
So I did it yesterday - and now I'm waiting for the answer.  
Also Barry said - that he will do some phone calls for me later this week...  
I mean he is trying to help - and it's clear.  
I also wrote to Steve last week-he said that he is in NY.. and he would love to see me later this week :)  
Considering my modeling - I already did and booked some jobs - so for now I feel like I'm in a right place :) like it's my market :)  
Considering health - I did a blood test last week.. (cause my period still didn't start) and test came out actually really good... like there is just Bilirubin a bit low, and MCV a bit high ...rest is norm... and I'm not pregnant - I spoke with some nurse and she told me - it's look like I've been working out too much... plus stress and weight lost.  
But I hope - I'll get better soon...  
Anyway I got my insurance yesterday (in case something happened) and it's gonna start working in 15 days...so I can visit a gynecologist in 15 days if I'll still need it.  
That's is pretty much it..  
I schedule my first driving lesson today... so hopefully I will fix my car issue soon :)  
Everything will be Oscar:) lol

Million kisses and hugs :)
