I know you are tired and I am sorry to be so heavy on you. It is just that I miss you so much. I miss talking with you and feel that I have so much I want to say. I want to find a way to make you happy. Hopefully find a way back into your heart. But I will not pressure you. If you don't share my feelings I will understand.

But when you mention organizing your stuff I get a sharp pain in my heart... I wish so much to hear that you will gather your winter clothes and move back with me. Start building our life again. I want to be clear, I want you to understand, that I love you. I love you [REDACTED].
