Dr. McCann is not in the office on Mondays...therefore, Dr. Shimony's office made the appt for you on Tues Dec. 3rd at 9:30am. Dr. McCann's office has 2 questions for you:

1. Which side, the right or the left?
2. Do you have any x-rays...if you do, you need to bring them with you

Since Dr. McCann does not accept your insurance, the consultation will be \$300 (I will try to pay this prior to your appt if possible)

Dr. McCann's address:

10 Union Square East (between 14th and 15th Streets)
3rd Floor, Suite 3M [REDACTED]
