If you need the apartment back just let me know. I love it so much and am already getting too used to it. As soon as you know let me know. I will start looking around for a place of my own as I definitely plan on staying in NY.

I leave Sat night, August 17 til 24. Then I will go on the 26th, 27th or 28th or so to LA for a week to clean out my LA apartment for a potential sublet. Let me know if those days don't work.

And thank you as always for your generosity.
