Below from Bobby Slayton...I will ask him if Dom Irrera can come...

ONE more thing!!! I am a stand by chef for a big cooking show on the Food Network on Wednesday. I am unprepared, under qualified, and scared to fucking death. But like I said I'm just a paid back- up. If by some crazy wacky chance they use me, and I pray they won't, I could be there till 8/9pm. Will keep you updated on Weds. Just hate for JE to fly in and then I'm late. I will know by early morning Weds.
