After all the sarcastic and judgmental comments that he made about young girls, age difference etc - the best way to celebrate your 50th anniversary is with your mother... He invited me though for a casual dinner with his colleagues on Saturday at his house- but I think I will go to the hamptons instead.=Haven't decided yet. Collin will be in the hamptons, I have a very nice friend who is inviting, And back on Saturday. Will decide after seeing Collin tonight.
