Actually, we could also peel away from the fellows program Friday 1PM-6PM for a meeting if you have a window there in Boston.

Guys. You have to meet each other at some point. I spent several days with Jeffrey expanding my world view and raising some interesting big questions for me. Reid and I are going to spend 2.5 days next week together thinking and a lot of the thoughts from that conversation will tie into the on-going conversations I'm having with Reid.

I think your brains will like each other. I think you have many overlapping acquaintances including Larry Summers.
