attached estimate for stucco repair and painting =t Larrys house.

the original estimate did not include the =arage or trim

there are two options for garage work

1, just paint =arage, including trim to match house color, \$2,200

2. stucco cracks and paint to match house, =4,100.00

the garage does have hair line cracks in =he front and south walls

do we have your =pproval to proceed and which option for garage

1 or 2
