"Mr Epstein Gym source does not have any of their own delivery trucks available today, so to get the Gym unit from the Gym Source warehouse in NJ and over to Hawthorne airport and load on the plane, IFL will charge \$845.00 for this work. After talking to Larry V. he thinks we will have a problem with the weight stack box which is 18" wide which may block the aisle. We may have to remove the weight stack from the shipping box. Please advise if you would still like to proceed, IFL and Gym source are on stand by and waiting for an answer. thanks Richard"
