Hi Ada. Hope you had a good weekend. We have been passing drafts back and forth internally over the last several days. The quantum of material is significant and taking longer to synthesize in a way that is helpful to the objective. It's 14 pages currently with two separate tax memos. At this point, I think mid day tomorrow for the complete draft is where we are. Thanks and have a good night.

Hi Ada. So=ry for the long pause. Been a hectic day.

Our team is hard at wo=k on the more focused presentation but they tell me the work product will =ot be ready until the weekend. Apparently the project, while n=rrower in some respects, is proving more time consuming than we thought it would be. I can send the tax port=on of the discussion tomorrow cob if that would be helpful.

Great to see you too.&=bsp; You look terrific. But I cannot believe it has been=three years since we last met. We should do better. = And yes I am happy. Sweet of you to notice. I'm=in a really great relationship, I'm thoroughly enjoying my 8-month old daughter and I'm old enough to =ay whatever I want to! What can be better?!

Have a good night.
