Below from Pablos Re is Sat. Aug. 3rd a good date for Vegas?

Let's do it. The best plan is if Jeffrey can come by DEF CON in the afternoon, around 3:00 or 4:00 p.m. and I can show him around. Then we could get dinner together in the evening. This is the event website:

Let me know if he wants to bring anyone else. I will get badges for them so they can come into the conference with me.

Pablos.
