payroll? Not sure what the question is

health, You asked me earlier about structure [REDACTED] and I am on the same plan through SLK Designs. There has to be 2 employees on this plan in order for [REDACTED] to get insurance with SLK Designs. I can't go under Brian's until we are married.

apt.? You always told me that the apt would be put in my name, so I didn't think I would need to worry about moving right away. Based on this I always considered the apartment an investment, maybe even something I could rent out when I moved. Just let me know what you have decided and I will be happy to plan accordingly. I may even want to look into buying it as I think it would make a good rental/investment property considering it's newly renovated and right by the new upcoming subway line.

save the dates? They should go out this week

outstanding things to buy or do? when you see the new rug in the pool cabana, you need to decide what color couch you want; white, black, color? Working in order for more of your white bath towels to use for pool towels.. they are from a company in England
