Attached are photos of the the =CB Back hoe, Cat 325 CL Track hoe, International Dump Truck

I had Bob from Island Marine Industrial review =quipment

the Track hoe needs new cab, body skin and hydraulic lines (On order), =e is getting an estimate

the international dump, is =ot worth repairing, his comment was run it to the ground.
jcb =ack hoe needs new skin

I'm working on trash truck and fuel =ruck bids and inventory of parts. I hope to have something
to you by =he end of the week!!

At this time the fuel truck parts alone =ill be in the 12 to 15k range depending if i can get a cab.
MY biggest =oncern is that this fuel truck should be able to pass inspection

Do we know what the asking price is for the fuel trucks on st =homas?
