Aspen on my 21st b-day, Ted convention in Monterey, St. Tropez, Mo=occo, Africa.... I really do appreciate all those times, and I hope the= are memorable to you as well!

I wonder about you Jeffrey, Are you Happy? What'= new? What are you studying, financing? How's the island? The ho=se in NM, Paris? From what I have stored in my memory of you, you are a=beautiful person, caring, so loving, so intelligent, interesting, FUN, spo=taneous... Sometimes, I wish I could recreate all of those good times.. wi=h [REDACTED], [REDACTED] and of course, Ghislaine.... We should hav= a reunion party??!!!! :-) Seriously, I think those were the best years= No?

Life is always a struggle, rich or poor... life is life=.. But being happy, you just can't buy. I really do hope you are de=ply happy and in good spirit. If not, "SERIOUSLY", cheer it u=! Jump on the trampoline naked! :-)
