Subject: GIV interior show

Jeffrey,

I depart tomorrow evening to Geneva for interior show, starts Tuesday. I'll return Thursday noon into JFK. This gives me two full days at the show.

Darren is available to fly heli and GII for us Wednesday, in the past our insurance approved Darren to fly our GII since he is typed in GIV, GV and G550 as emergency pilot if I approve of him.

Should I ask our insurance for approval again? Or are you ok with using Darren this one time to cover this trip?

Do you approve to just use Darren and not notify insurance?

Thank you,
Larry
