I don't know the story -- have not wanted to get in the middle of it.
the biggest thing I learned when I was sick -- that negativity, it will, can make a person a lot sicker....

I initially wondered if Marc was using Dean. Maybe he was. Then I witnessed Marc's extraordinary kindness to Dean - especially when Dean's brother died. It was really something. I prefer not to hate... it just doesn't feel good....

I asked, he said that Hodosh was like a son to him, he gave him the conference with the understanding that he would receive 50 percent of the earnings, it went well for two years, receiving his fifty percent, and then Hodosh sold it (I guess technically not earnings, just capital gain) and gave Richard nothing

I have no idea what happened there and don't want to know.

Hodosh is close to & kind to Dean. I appreciate that. I adore Dean.

Gallo says it'll blow over with time, that he goes thru these ups and downs w/ people.

I'd love to put something together. Later this year. May get Gallo's thinking in the mix cause I'm fascinated by rhythms in that very broad way.

Loved seeing you and Dean Epstein. [REDACTED] is a kick. Saw [REDACTED] last night, too.
