I wanted to touch base about the NASCAR race in April in Dallas for Warren. Brian said he can set up some things for him there if he'd like to come to the track. He also thinks Richard Petty driving school should have a 2-seater car at the track that weekend and he can try to organize for Warren to drive the car, and I think Brian could take him around the track as well which is an awesome experience. If he wants to come to the races and track, we will just need his name and drivers license number and names and numbers of anyone he wants to bring with him.
