Subject: Gym 4th floor

Jeffrey,
I swapped the B&W speakers in Gym for Klipsch speakers in yoga room,.
It appears the Klipsch are more Brilliant speakers,.
I agree that volume Amp is low in output when using ipad as player, but, listen to music thru Sono player,. I get double the volume when playing music thru Sono compared thru Ipad headphone jack dock..
Plus when I separate the tower speakers in Gym the imagining fills the room, I think we have the speakers to close together at this time in Gym.

Should I separate speakers in gym?

Thx
Larry
