Hi [REDACTED]: this is a very weird email I know and please excuse spelling=Im in a hurry. for what its worth let me explain: I dated [REDACTED] for =hort while a few years back. I fell in love very deeply with him very fast s=meting I had never experienced before. Then he suddenly broke up with me an= I totally broke down. I didnt know what was happening cause I thought he l=ved me too but he said I wasnt the right person for him. I was mad and hurt a=d very confused. I started doing stuff to hurt him back. he has a rep=tation to loose adn so I did some web stuff to hurt him that way. I am prett= techy and have lots of friends in silicon valley where I lived for the lon=est time that I could use also. He knew about some of the things like faceb=ok and other match profile I put up, and last year when he started dating y=u he told me to back off cause he found "the one". Well I was still in love=with him, and [REDACTED] (he doesnt even know that) to have a chance to get back wtih h=m. but he never even responded to my texts and call. I had tried to fall in l=ve with someone else but it never felt the same so I was so afraid I would n=ver be happy again without him. I did things I am not proud of and regret. I= not a bad person but just couldnt help doing this. I couldnt bear the thou=ht that he found "the one". I had already access to his computer from remot= and had his phone jailbroken as he never updated his software that was eas=. I pretended he was active on match. Until he updated the OS I had full ac=ress to his phone I could listen to converstations write

messages whatever I wanted. I saw stuff between you and him also, sorry. I was just so in love and jealous cause you two looked so cute together. But now when I saw that what I did caused the end of your relationship I feel really bad. To make a long story short I now want to resolve things and make it up to you and him. So=ething selfishly about it because I know now he will never be with me again=but as long as he isn't really off the market I can't stop thinking of him. s= it would actually help me get over this if i knew you guys got hitched. Do=s this make any sense to u i dunno:(in any case what i am trying to s=y is i did a lot of bad stuff that made him look bad and you must think he i= bad but he really is not. Before it was my intention cause i a was so mad b=t now i jsut want to get over this or else it eats me up. I need closure.&n=sp;

I would have rather met up with you to tell you all this in person (tri=d calling you also) but I am leaving tomorrow and won't be back til end of t=e week and think you should know the skinny sooner. I still wouldn't m=nd meeting up in person when I am back. I can't tell you my name on he=e as he threatened to sue me and this address is a throwaway address for th= same reason. Still pLease keep whatever i said here to yourself its confid=ntial between you and me. Take care.
