Waiting for [REDACTED]...

[REDACTED]: I cried when I came home and saw ur things gone [REDACTED]: I cried for a few hrs [REDACTED]: I thought it was tragic [REDACTED]: I thought if u left it was only because you did not think I was your soulmate [REDACTED]: I thought you would never leave me no matter what [REDACTED]: I thought that if I ran out of money and we had to move to a small little place in the woods somewhere....u would have come with me = [REDACTED]: So when I came home and u left...I was surprised....I thought =ou would stick with me no matter what [REDACTED]: I was crying. I was very very sad. And surprised

[REDACTED]: Yes - I was sure u were my soulmate..I would move to the woods wi=h you without hesitating for a second. But the question is would u do the same [REDACTED]: I guess I thought you believed in us so much. That it was=20 not about what I might do for you. You just wanted to be with me and if I was in a bad mood or needed time, you would stick with me no matter what [REDACTED]: I think we both loved each other a lot.....but perhaps needed =o communicate better. I thought u were my soulmate

[REDACTED]: you made it clear that you wouldn't help me no matter what, that I should find my own way to help myself - marry a gay or another guy etc.

[REDACTED]: I did not mean it...I was frustrated and stressed [REDACTED]: And upset [REDACTED]: U know I did not mean it [REDACTED]: And u know I love u very much

[REDACTED]: At least you didn't have to think how to stay in the country<=r> [REDACTED]: And I would be in [REDACTED] now if Jeffrey hadn't helped [REDACTED]: And then I thought you went off and married some guy

[REDACTED]: You told me to do so

[REDACTED]: I did not mean it...I was very frustrated and upset

[REDACTED]: You wished me good luck with that [REDACTED]: When you came back all dressed up from meeting a potential fut=re husband....my whole face got red [REDACTED]: U saw how upset I was

[REDACTED]: U know that I loved only you - but I needed help, not you being upset at me. My [REDACTED] is not my fault, it was a problem that needed to be solved.

[REDACTED]: I love u so much [REDACTED]

[REDACTED]: [REDACTED]

[REDACTED]: See some good in me

[REDACTED]: I thought if you were really sure I was your soulmate and your future - u would help. I love u and I m sure you love me, but perhaps u were not sure about future with me. Otherwise, I don't understand [REDACTED]: As I said you were ready to take financial responsibility, but no= emotional.

[REDACTED]: We should sit down and have a heart to heart talk [REDACTED]: I can come see u next week [REDACTED]: Or week after that

[REDACTED]: And yes - I would go live with u in a little house in the woods, but if the woods requires [REDACTED]

[REDACTED] - how can i do that?

[REDACTED]: If u make me truly believe that you would...I will marry you [REDACTED]: [REDACTED]

[REDACTED]: I promise that if I believe you would go live in the little cabin in the woods with me. I will marry you and start a family [REDACTED]: I liked when u cleaned me [REDACTED]: When u did not cook for me...did not think you were serious

[REDACTED]: Or trying things with other girls [REDACTED]: I love u

[REDACTED]: I told you that I would learn to cook when I find a good teacher - and I did. And [REDACTED]

[REDACTED]. And I told you I was very excited about playing with girls. In 1.5 years I proved that I was very serious about you and our future. However, I

did not get the same certainty from you. Now I do need some time to think. I will talk to you at the end of the week and let you know whether we are meeting [REDACTED]. Now I have to believe that you would follow me to the little cabin..= [REDACTED]: Why would we not meet [REDACTED]?

and he has asked 6 times if Elon has given me anything? and what did el=n give me? - i ignored and again blabbing about how special we were, th=t he never loved or felt like this about anyone, how i could calm him down=after a stressful day (also mentioned that i could not hike for many hours=- but eventually since i m in better shape now - he thinks i could enjoy h=king more;), that he liked how i invented new things in bed and always wa=ted to try new things and how great it was; etc etc
