Wow. Ok.

When u r in LA - I hope u can go see the Korean acupuncturist. 8 constitution=. Recommended eating plans for each. Some constitutions get to eat meat, poultry. Some only eat fish. Many disease states, like Parkinson's, are specific to specific constitutions, but the eating plans can keep a person healthy. The acupuncture is light, not painful, like the 5 element needling.

This is turning my health around. Finally. In 5 weeks my trainer says I look 10 years younger.
