pricing for the lights: we can fit 5 lights on the light bar.
-LED \$240.00 each,
-HELLA lights \$84.50 each

Larry,
here are the photos of the light bar , the Hella lights, app. Size is 4" x=6"and the LED type lights which are app. 3.5" X 6" . The LED lights ar= definitely more high tech looking but are slightly smaller in size .They are expensive as we=l about \$240.00 per light but they will never burn out. I think we are able to=fit 5 lights across this bar EITHER STYLE.Let me know what you think.
