It's rather difficult to interpret your wri=ing and even more difficult to write an answer that can be interpreted as a= is, as a good Will.

There should be a misunderstanding: I t=ought you wanted to help me because you liked helping people with some pote=tial, because it brings you satisfaction and amuses you, a sort of the best=game ever, and not for any exchange.

And I am surprised that you didnt see the biggest thank you in the worl= in my eyes, i présumé you didnt care about the words, clever as you a=e.

You told you didnt care about the food, but if you prefe= cookie to grabbing my ass, that's perfect cause i prefer this too!!!

I very much enjoy seeing you. I am perplexed. 1. you have great potential, 2, you want my help guidance advice, however you have yet to say thank you one time, , you have yet to bring even a cookie as a good will. most times i try to explain to someone that in return for something i want , i will give , offer, suggest an exchange. the first exchange being a thank you. . You are sophisticated beyond your years, and clever, , it leaves me wondering, what i should do because if i am able to find you an opportunity , will you say thank you, to them, or will i hear regrets. you are out of training, and it very much concerns me
