Bring on Amy (Steve's wife) we had reviewed this over a year ago. she has strong admin background, worked with Steve, good cleaner etc. She would be more involved with the Main House and Norma at Ranch Central. Steve's family are already on the medical plan

They could move into the Red House, giving 4 employees on the Ranch, they do have 2 boys 10 - 8 years, all very Ranch orientated.

Would recommend that you meet Amy while on site also review all the pros and cons of this suggestion

Warmest regards
