They weren't available in the stores when I bought them online and since we're changing all their numbers over from T-Mobile to ATT, it was simpler to do online since it won't switch the number until we receive the phone and turn it on versus buying it in the store would activate it immediately and the girls would have had to have been at the store with me, or else they would be without a phone and [REDACTED] and [REDACTED] were traveling with you.

[REDACTED], Karyna and [REDACTED] iPhones should arrive at the latest between Nov 5-9th if not earlier. I will get a shipping confirmation once they've shipped and can give an exact arrival date then.
