This is what I got from Frederic this morning. I have kept asking him because I am nervous that he was just saying it was shipped and was waiting for the money. It has taken a long time just to get to the France harbor. I will ask him for the boat code on Friday when he says he will have it.
I am ignoring his questions about money

'The office(desk) arrives at the port(bearing) of the harbour "FRANCE" on Friday.
We are going to have the code of the boat at the same moment.
Delivery deadlines will be in 4 weeks.
Were you able to make transfers him(it) banking has my bank?'
