I=spoke to Valdson. He has been looking at king size beds to fit the dimensio=s of the bed frames pushed together. He has not been able to find one. He h=s suggested pushing and securing the 2 twins together and adding a solid la=er of foam or similar bed top on top to fill in any gap. He thinks this wil= work nicely and would like to try this first if that's OK.

attached is a proper time line and updated cost list with apt 4M added. If w= keep 4M, it will need new bathroom, floors refinished, painted, new applia=ces and some new furniture, not all. I'm having Anthony go in today and do a=other smell test to access the situation.

Please note 8H and 10F are not complete; still waiting for furniture input o= Karyna and [REDACTED]. I know Karyna has ordered some furniture and she is going t= send me the updated costs and what has been ordered so far. I will add onc= I receive this.

Also waiting on quote for window treatments and will add when received.
