No , my mom wanted to come at the time when she had a vacation . when she went to the agency they told her that she needs a invitation if she wants to get a visa faster but then you told me she should get a travel visa they said it will take a month she said me she cannot come because her vacation will be over and a hospital won't let her take more days, besides she had to take care of her sister who was very sick (cancer) . Then she was hoping I will get a green card and come first :/ Do you think we could send her a invitation ?
