containers are holding paint, seed, parts they will no it be move until i have storage at engineering that i been trying to do but every thing else seems to be more important,
they have been using parts from the gators and bike to thing going until new fleet arrives
I will stoop work on your list and clean up
so sorry

Carlos suggested we pull Fat Cat and store for hurricane season in Tortola
we would give up slip a AYH and anyone interested in buying could view boat on land.
One less boat to worry about and Lady K can cover crew for now.
can we proceed?
