I have reserved her on the usual American Airlines direct flight from St Thomas to New York on August the 26th. There were no economy seats available so I reserved her in Business.

On the 31st the only direct flight from New York to St Thomas is an afternoon flight and gets to St Thomas at approximately 8pm. I have reserved her in economy. Is this ok?

On the 3rd of September there is no direct flight. I have reserved her on a connecting flight through San Juan.

I asked Amex why there is a lack of direct flights and they said they think it is a seasonal change in response to demand.

[REDACTED] and Les, I will forward tickets and itineraries to you once I receive them from Amex
