Working on changing photo dates to week of 18th.

Mirrors due to arrive STT on 12th

Rich is working on pick up of table and chairs for Thurs or Friday of this week.

Pinto Syrian furniture is in PB storage.

Had a very nice long chat with Doris. We are planning on meeting again on the 10th so I can take her through the Paris apt again so she can look at it with updating it in mind. She suggests starting with Paris and go from there. She also wants to show me her apt and may have dinner as well.

attached is a proper time line and updated cost list with apt 4M added. If we keep 4M, it will need new bathroom, floors refinished, painted, new appliances and some new furniture, not all. I'm having Anthony go in today and do another smell test to assess the situation.

Please note 8H and 10F are not complete; still waiting for furniture input from Karyna and [REDACTED]. I know Karyna has ordered some furniture and she is going to send me the updated costs and what has been ordered so far. I will add once I receive this.

Also waiting on quote for window treatments and will add when received.
