[REDACTED] says she would love to come to the island on the 1st but would obviously have to ask for leave from work and would like your permission to do so before she asks them.

She also would like your advice on how to proceed with a matter at work. She is supposed to move back to [REDACTED] in 2 weeks but apparently the manager where she currently is wants her to stay there. She would love you to call her. She said she wakes up around noon.
