Subject: GIV abu Dhabi

Jeffrey,

I searched on www.controller.com to view the Abu Dhabi GIV, it indicated it was under contract,.not sure if that is fact,. Eric Roth personally viewed that GIV when it arrived in USA. He voiced a \$1.2m price for full interior,. After viewing the photos and floor plan of the Abu plane, I can see why he quoted a high number,, its only certified for 9 passengers, would need floor plan, some new seats and Divan.

I will fwd more info tomorrow once I receive headliner info from Van Nuys interior shop.

I have Gulfstream Long beach quoting headliner also, however engineering needs to review, will take time get a real price from them.

We can use this info for other Gulfstreams down the line if something interesting come on the market.

Thx

Larry
