Rich,

I am very excited and appreciate the opportunity.

I told my present employer this morning so they are all set and they are very flexible so I could start earlier if we decide that will be better but my official start day here will be November 11th.

If it is ok with you, I think I would like to come to NY on Monday and depart on Wednesday. I would need one of those days to go over to my present employer's office to tie up some loose ends.

Let me know if that will work and I will look into flights and hotel.

Again, I am very excited to get started and make an impact.

I don't have Jeff's email but please pass on my regards and I assume I can thank him in person next week if he is in town.

Talk with you soon,

Marc
