Jeffrey,
from Mike at Maserati:

MSRP's for the cars range from \$144,640 to \$146,620. I am not sure what the final price is going to be. The president of Maserati is going to give me your price once we pick a car. On a 2012 we would normally take up to 5k max since the 2012's just came out. I have a feeling you are going to get a much larger discount than that
