THE YEAR IS 1911

This will boggle your mind, I know it did mine! <=b>  
\*\*\*\*\*

The year is 1911 --- One hundred years ago. What a difference a=century makes! Here are some statistics for the Year 1911:</=>

\*\*\*\*\*

The average life expectancy for men was 47 ye=rs.

Fuel for this car was sold i= drug stores only.

Only 14 per=ent of the homes had a bathtub.

There were only 8,000 cars and only 144 miles of paved roads.<=b>

The maximum speed limit in most c=ties was 10 mph.

The tallest st=ucture in the world was the Eiffel Tower !

The average US wage in 1910 was 22 cents per hour.

The average US worker made between \$200 and \$=00 per year.

A competent accoun=ant could expect to earn \$2000 per year, a dentist \$2,500 per year, a veter=narian between \$1,500 and \$4,000 per year, and a mechanical engineer about \$=,000 per year.

More than 95 per=ent of all births took place at home.

Ninety percent of all Doctors had NO COLLEGE EDUCATION! Instead, they=attended so-called medical schools, many of which were condemned in the pre=s and the government as "substandard".

Sugar cost four cents a pound.

Eggs were fourteen cents a dozen.

Coffee was fifteen cents a pound.

Most women only washed their hair once a month, and used Borax or egg yolks for shampoo.

Canada passed a law that prohibited poor people from entering into their country for any reason.

The Five leading causes of death were:

1. Pneumonia and influenza
2. Tuberculosis
3. Diarrhea
4. Heart disease
5. Stroke

The American flag had 48 stars.

The population of Las Vegas, Nevada was only 30.

Crossword puzzles, canned beer, and iced tea hadn't been invented yet.

There was neither a Mother's Day nor a Father's Day.

Two out of every 10 adults couldn't read or write and only 6 percent of all Americans had graduated from high school.

Marijuana, heroin, and morphine were all available over the counter at the local corner drugstores.

Back then pharmacists said, "Heroin clears the complexion, gives buoyancy to the mind, regulates the stomach and bowels, and is, in fact, a perfect guardian of health!" (Shocking?)

Eighteen percent of households had at least one full-time servant or domestic help.

There were about 230 reported murders in the ENTIRE U.S.A. !

I am now going to forward this to someone else without typing it myself.

From there, it will be sent to others all over the WORLD - all in a matter of seconds!

Try to imagine what it may be like in another 100 years.

IT BOGGLES THE MIND!
