Hello Jeffrey.

He just called me (loooool).

I told him about your friend and he said he is really interested in meeting him. He said he is leaving tomorrow around noon but he'll be happy to meet with him from 8 to 9 am (he has a doctor's appointment at 10).

Do you think your friend would be willing to meet with him?

Just to update you I had told my uncle after you left that you had suggested a meeting with him on Feb 1st. I guess my uncle asked him about you (I think that because he told me that he sent a text to my uncle telling him that he was going to see me) If it's short notice for tomorrow, he claims that he might come back Monday too.

Is it still possible to arrange something?

Thank you Jeffrey
