Hi =E,

Do you know of any other =r's? I called Dr. Klagsbrun on Monday and the secretary told me =hat he will call me when he has a free moment. I didn't =ear back all week so called again today to follow up and she was a bit =ude saying he gets all of his messages and that he must not have had =he time to call me back. I am finished with the Klonopin and would =eally like to try Cymbalta soon before the anxiety takes =ver.

I'll look online for =r's but just thought I would touch base to see if you knew of any =thers.

Nice seeing you =oday!
